

CARRIE TOLAND, FIELD SUPERVISOR

Carrie Toland, RN serves as a Field Supervisor at Tandem365, where she plays a key role in managing the healthcare of community-based participants with a strong focus on reducing hospitalizations. In addition to overseeing care coordination, she leads her team in delivering high-quality, patient-centered services.

Carrie earned her nursing degree in 2010 and brings a wealth of clinical experience to her current role. Before joining Tandem365 in 2019, she worked extensively in the Emergency Department, gaining broad expertise across a range of acute and chronic conditions. Her earlier experience includes serving as a triage nurse in a primary care setting and providing compassionate end-of-life care as a hospice nurse.

Known for her dedication and empathy, Carrie is committed to achieving positive health outcomes and supporting the overall well-being of the participants she serves.
