

### **LAURA KASPERSKI, CLINICAL MANAGER**

Laura Kasperski, RN, BSN is the Clinical Manager at Tandem365, where she leads a multidisciplinary nursing team serving complex older adults. Laura's career is driven by a deep passion for improving the quality of life for the aging population, a commitment she discovered early after earning her Bachelor of Science in Nursing from Mount Mercy College in Cedar Rapids, Iowa.

Her clinical foundation was built in high-acuity ER and ICU settings, where she honed her ability to adapt quickly, coordinate care, and thrive under pressure. Laura's leadership journey includes pivotal roles such as Director of Nursing at Rest Haven Homes, where she oversaw compliance, staff development, and quality assurance. She began her tenure at Tandem365 as a Nurse Navigator, focusing on preventing unnecessary hospitalizations and supporting aging in place, before advancing to her current role as Clinical Manager.

Laura is recognized for her flexibility in navigating change, her talent for organizing resources and people, and her contagious enthusiasm that uplifts teams and patients alike. She excels at building inclusive environments, fostering collaboration, and cultivating the potential in others. Her curiosity and drive for continuous learning fuel innovative solutions to the challenges of aging and healthcare delivery.

Laura is a true change agent, dedicated to challenging the status quo in healthcare to enhance collaboration, access, and outcomes for patients. Her vision is to lead with empathy, creativity, and strategic thinking—empowering her team and community to embrace new ideas and create a better future for older adults.
