

### **TARA WILCOX, DIRECTOR OF CLINICAL SERVICES**

Tara Wilcox is a seasoned healthcare leader with over two decades of experience in nursing, including 10 years of dedicated service at Tandem365. She earned her Bachelor of Science in Nursing from Grand Valley State University in 2004 and has since devoted her career to serving the aging population across a variety of clinical and leadership roles.

Tara's passion lies in post-acute care delivered in the home setting, where she champions innovative approaches to improve access and quality of care for seniors. Prior to her current role, she pursued advanced certifications in wound management and treatment, enabling patients to receive specialized wound care in the comfort of their own homes.

As Director of Clinical Services, Tara leads strategic initiatives focused on helping older adults manage chronic conditions, remain safely at home, and navigate the complexities of the healthcare system. Her advocacy for senior care is rooted in a deep commitment to enhancing care coordination, empowering patients and families, and driving system-level improvements.
